

[9 월-1 실전대화] 가을에 독서를 강요하는 상황

A: Why do people always say autumn is the season for reading?

B: Well, it's when the weather gets cooler, and people want to stay indoors with a good book.

A: But how do you know that everyone feels that way? Maybe some people just want to binge-watch TV drama.

9.3. How do you know ~? 년 ~을 어떻게 알아?

binge-watch 몰아보다, 정주행하다 (binge 폭식하다 + watch 보다)

B: Alright, I get it. You're not exactly the bookworm type. But don't knock it till you try it!!

knock 노크하다; 비판하다, 설βολ리 판단하다

A: Fine, but seriously, do you like reading that much?

B: I do! It's all about getting lost in a good story. There's something magical about it.

9.6 It's all about ~ ~이 가장 중요해.

get lost in ~에 빠져 들다

A: I know what it's like to get lost... but I usually get lost in video games.

9.14 I know what it's like to-V 난 ~한 것이 어떤 느낌인지 알아.

B: Don't even think about comparing video games to books!

9.8 Don't even think about V-ing ~에 대해서는 생각도 하지 마.

A: Come on, reading is not my thing. I'd rather do something more exciting.

8.24 be not my thing 내 취향이 아니다

5.30 I'd rather A than B B 하느니 차라리 A 할게.

B: Alright, alright. But do you at least read something in autumn? Even a comic?

comic 형) 웃기는, 명) 만화책

A: I'm not in the mood to talk with you right now. Even a comic is still a book. I have to use my brain and read it with my eyes... I'm already getting a headache just thinking about it.

9.12 I'm not in the mood to-V 난 ~할 기분이 아니야.

get a headache 머리가 아프다, 두통이 생기다

B: Oh! If using your brain gives you a headache, start with something light... like a comic without words!

A: Mate. But **let me know** when you're done giving me reading tips, because I've got a busy schedule today.

9.5 Let me know ~ ~을 나에게 알려 줘.
